ROOF HATCH + SMOKE VENT

FALL PROTECTION

ACCESS DOORS + PANELS

FLOOR DOORS + HATCHES

ENTRANCE MATS + GRILLES

Specialty Building + Access Products

ROOF HATCHES

07 7200

Provides safe access to roof areas on buildings. Available with fall protection and a variety of materials and finishes.

- **ThermalMAX™**
- **Personnel™**
- **Daylighting**
- **Security**
- **Retrofit**
- **Equipment**
- **Automatic Roof Hatch Opener**
- **Fall Protection**

Division 7

SMOKE VENTS

07 7200

Our rooftop smoke vents are designed to meet all fire and life safety building codes. As required by IBC, these vents automatically open to release heat, smoke, and noxious fumes in the event of an emergency.

- **ThermalMAX™**
- **SafeMAX™**
- **SunLit™**
- **AcousticMAX™**
- **Fall Protection**

Division 7

Since 1909, Babcock-Davis has manufactured access hatches, roof hatches, and smoke vents. Today we provide a wide range of floor, roof and safety related access products that are available through roofing and construction supply distributors.

Featured Products

PAR Perimeter Air Return Door

PAR doors discreetly conceal HVAC systems.

- Insulated for noise and temperature reduction
- Allows for make-up air, keeping the equipment running smoothly.
- Custom sizes available for larger access needs

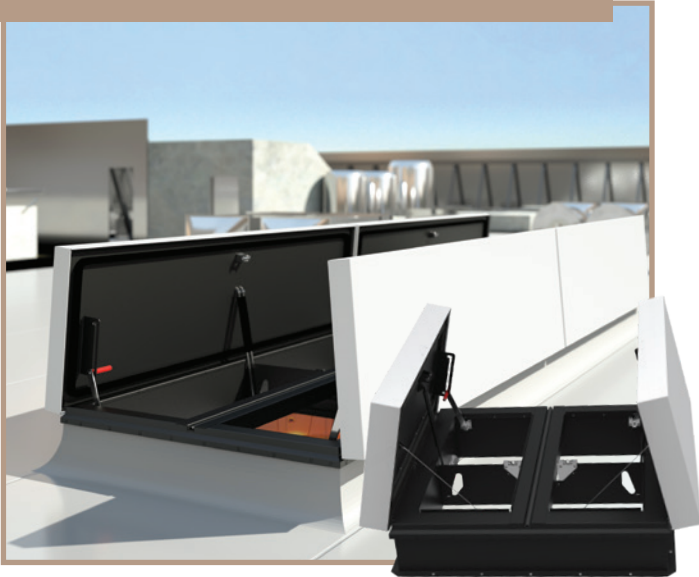

Automated Roof Hatch Opener

Automatic Roof Hatch Opener allows you to open and close your roof hatch safely from the floor level, providing a safer egress and ingress through the roof hatch.

- Automatically open, close, lock, and unlock
- Retrofit or factory installed
- OSHA/CAL-OSHA compliant

AcousticMAX™ Smoke Vent

Block the intrusion of exterior environmental noise while providing safety and security.

- STC 50 OITC 47 ISO 140-18 sound rating 36.7 dB
- Superior sound control
- Prefinished black interior

Retrofit Roof Hatch

Introducing a replacement roof hatch for worn out or damaged hatches that installs on the existing curb.

- Installs easily on existing curbs
- Eliminates the need to disrupt the existing roofing system
- Provides a long-lasting solution
- Maintains safe operation and egress
